

Example of Screen when using link to Abstracts and Master Thesis

This window opens when you click on the thesis title. View Description shows details and the abstract. On the lower left side, you can choose a language.

The screenshot shows a library website interface. At the top, there is a search bar containing the text "Optimization+of+wind+turbine+rotor+with+vortex+augmentors+using+Turbulent+CFD". To the left of the search bar are the logos for "wiener neu stadt" and "FACHHOCHSCHULE WIENER NEUSTADT". To the right of the search bar are buttons for "Library Links" and "Sign In". Below the search bar is a navigation bar with "View Filters" and "Stadtbücherei und Fachhochschule Wiener Neustadt".

The main content area displays a search result for the thesis "Optimization of wind turbine rotor with vortex augmentors using Turbulent CFD." The result includes a book icon, the title, authors "Matthias Rochtus, Martin Kampinga", and the year "Thesis, Dissertation 2018". A "View Description" button is highlighted with a red circle. Below the title, there is a section for "Held by FHWN Bibliothek und Stadtbücherei Wiener Neustadt" and "Available Campus Wiener Neustadt Standard TGW HS RocM 820".

At the bottom left, there is a "Language:" dropdown menu with "English" selected, also circled in red. Below the language menu are links for "Copyright", "WorldCat Discovery", "Privacy Policy", "Terms and Conditions", "REL-1.211.1-123", and "Library Links".

The right side of the page shows a detailed view of the thesis, including a book icon, the title, authors, and a "View Description" button. Below this, there is a list of metadata: "Publication: Wiener Neustadt 2018", "Physical: 114 Seiten", "Description:", "Language: Undetermined", "Staff View: MARC Record", "OCLC Number: 1050954897", and "Subjects: CFD, Darrieus Wind turbine guidance vanes". A "Summary:" section follows, providing a detailed description of the thesis content.
